# DMV office moves To new location

The Utah Division of Motor Vehicle office serving South Salt Lake County vehicle owners will begin operations at a new Draper location Aug. 18.

The current South Jordan office at 10433 S. Redwood Road will close on Thursday, Aug. 14. The new South Valley office at 14555 S. Minuteman Drive, Draper, will open for business on Monday, Aug. 18.

In an effort to centralize state agencies, the new facility will house the Division of Motor Vehicle and the Driver License Division in the South Valley office.

The offices will offer extended hours and be opened Monday through Thursday from 7 a.m. until 6 p.m. The new location features a drive-through for vehicle renewals.

DMV continues to add services to alleviate the need for citizens to visit the office personally, including registering online at [dmv.utah.gov](http://dmv.utah.gov).

The DMV "On the Spot" program authorizes participating state safety and emission inspection stations to renew vehicles and issue decals with an updated registration.

The 23,350 square foot building in Draper was designed by JRCA Architects, Inc. and constructed by Keller Construction, both of Salt Lake City.
